CLINTON PLACE JUNIOR HIGH SCHOOL
NEWARK, N. J.

*This school is dedicated
to the development of
the youth who attend
here, that they may
grow in knowledge and
understanding . . . that
they may build a better
nation in a better world.*

OREWORD

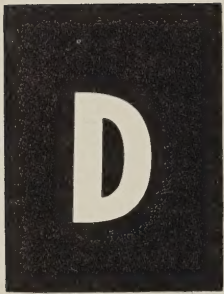

This yearbook, *EXPLORER V* marks the finish line of a new plateau in the history of Clinton Place Junior High School, the first annual promotion. The class of June 1962 is the first class to achieve this objective.

In word and picture we offer this record of our formative years. As we move on to a higher plain, perhaps with fears and hopes contending, we shall consider well the poet's lesson--

"Youth shows but half, see all nor be afraid."

Dear Graduates:

Congratulations! You have successfully completed the three year program of studies provided for you in this school. You have worked hard and have earned your diplomas.

I wish for each of you a happy and successful future.

Sincerely,

Alexandra D'Alessandro
Principal

Three years ago most of you and I entered Clinton Place Junior High for the first time. I am sure that the time has flown as fast for you as it has for me. I trust that your stay has been pleasant as well as productive, so that you are prepared academically as well as mentally to continue your formal education. As your acting principal it will be my pleasure to hand each of you your diploma and with it my best wishes.

Anthony G. Coppola
Acting Principal

Congratulations!

You are on the threshold of a wonderful future. At Clinton Place you have been given many opportunities to enrich and stimulate your appetite for growth and learning.

Take with you always a deep respect for peoples and their rights. Appreciate and utilize those traits which you have acquired to make your life one of success and fulfillment. Never cease to learn.

Seymour Puckowitz
Acting Vice Principal

Dear Graduates:

Your journey through Junior High School is almost over. Your counselors have tried, through the years you have been with us, to help you understand yourself, develop a well rounded acceptable personality and to realize the importance of and the need for an education.

The counselors join me in wishing you a successful career in Senior High School.

Sincerely,

Dorothy G. Keith

Nestled in Newark on a busy street,
Stands a school that can't be beat.
Clinton Place the name rings loud
Among the students who are so proud.

Chorus

Clinton Place Oh Clinton Place,
Your banners raised on high,
We sing to you a song of praise;
Your name will never die.

2

Beautiful things all make our school,
One huge diamond a precious jewel.
We're thankful for this place to learn
For in our hearts great pride will burn.
